

CHAMBERS USA 2010

BLACK, SREBNICK, KORNSPAN & STUMPF, P.A.

THE FIRM This pure litigation firm particularly excels in white-collar criminal defense work. The lawyers are renowned as superb trial lawyers and are frequently utilized in complex high-profile, high-stakes cases. Recent victories include successfully defending Helio Castroneves in a widely publicized six-week income tax evasion trial. The team handles commercial and criminal cases and manages all aspects of preparation, investigation and trial presentation.

Sources Say: *"Sensational trial capability."*

KEY INDIVIDUALS *"Superstar trial lawyer"* Roy Black continues to stand out for his meticulous preparation and masterful cross-examinations, with peers conceding: *"There's no denying he's a winner!"* Howard Srebnick is a gifted criminal trial lawyer who *"comes up with truly creative ways to deal with legal issues."* Interviewees point to his winning way with juries, reporting that *"he really understands people and how things work."* Larry Stumpf leads the firm's civil litigation practice and has been defending Rolls-Royce in various lawsuits. He also has strong experience in environmental litigation matters.
